

Superior Curling Club Learn to Curl Instructor

Primary tasks

- Instruct groups of people to enable them to safely participate in curling activities.
- Each instructor may have as many as 8 students.
- By the end of a two-hour session, the goal is to have completed 2 or 3 ends of curling where participants understand the object, can deliver stones, know basic etiquette, understand basic sweeping principles, and are familiar with the important rules.
- The two goals are ALWAYS: **Stay Safe** and **Have Fun!**
- Work with beginner curlers to help them better understand the game and improve their skills.

Learn to Curl instructors that have a current USA Curling certification are paid \$12 per hour. Instructors without certification qualify for dollars for doers.
