

Superior Curling Club Maintenance Technician

Primary tasks

- Maintain the club facilities in a safe and efficient manner
- Respond to maintenance needs as communicated by the club manager
- Determine the best path forward for requests
 - Find help if necessary and repair (club members helping would qualify for Dollars for Doers)
 - Hire a contractor to complete repairs
 - Defer repairs
- Seek board approval for any repairs that are expected to cost over \$250

Compensation for this position is \$16 per hour. The individual must keep track of time and submit to the club manager.
