

SUPERIOR CURLING CLUB
HEALTH AND SAFETY (COVID-19) GUIDELINES
Revision date: 9/24/2021

At the time of publication, this document represents Superior Curling Club's intended guidelines with respect to participant health and safety. These guidelines are subject to change to ensure compliance and support the wellbeing of the club and our members.

- 1) All entrants to the club are expected to comply with these guidelines and any signage displayed at the club.
- 2) Vaccinations are not mandatory but are strongly encouraged. We will not be requesting proof of vaccination.
- 3) Masks are not mandatory but are strongly encouraged.
- 4) Social distancing is strongly recommended to the extent possible encouraged when indoors.
- 5) All entrants must self-screen for COVID symptoms using the sign posted at the entrance. Those with symptoms shall not curl and are expected to depart the building as soon as reasonably possible. If you are sick (including non-COVID), please stay home and take care of yourself.
- 6) Any persons who have had close contact with a known or suspected COVID case shall not enter the club until 10 days after the close contact.
 - a) Close contact is defined as being within 6 feet for a cumulative total of 15 minutes or more over a 24-hour period.
- 7) Any person awaiting a COVID test result shall not enter the building until receiving a confirmed,NEGATIVE test result and being symptom free for 24 hours.
- 8) Club equipment and game protocols:
 - a) Normal rules of the game will apply.
 - b) Normal sweeping (up to two sweepers) will be allowed.
 - c) Consider broom taps or a verbal good curling if uncomfortable with handshakes.
 - d) Consider minimizing sharing of equipment between players.
 - e) Club equipment used (broom, sliders, stone handles, stabilizers) should be sanitized by the user after each game. There will be sanitizing equipment available.
- 9) There will be hand-sanitizer and sanitizing wipes available for use throughout the ice area and club room.
- 10) We understand that an important part of curling is the social aspect. Shared spaces will be available for normal use by all members who are interested and comfortable with utilizing them.
